Purchase a package of races at a reduced rate!

Packages provide a savings of approximately 25% off of each race entry fee.
There are absolutely no refunds with this program.

Only 100 Yearly Passes will be sold for 2012.

These Yearly Passes only apply to events hosted by Eclectic Edge Racing – these events are listed on the next page. They are designated on our website calendar, with an asterisk to the far right. All other events on the Eclectic Edge Racing calendar are events for which we are contracted to provide timing and announcing services. For 2012, there are currently 22 races scheduled to be hosted by Eclectic Edge Racing – please check the website calendar for additions or deletions.

Upon purchasing a Yearly Pass, please select the events that you will be participating in, and we will automatically enter you in those events – there's no more registration required on your part. You can opt out of participation at a previously selected event and then be added to a different one, with a minimum of one week's advance notice.
