

The Corporate Wellness Challenge

For companies of 30 employees or larger.

Ask a company representative for the corporate discount code. Enter that code and the company name, when registering for an Eclectic Edge Events hosted race, and receive a \$5 entry fee discount (that's a 25% savings on the average race fee).

Nobody at your company knows what you're talking about? Have a representative contact James at Eclectic Edge Racing for the details. It's no cost for employers, just another great benefit to employees.

At the end of the year, the company with the greatest participation at events, in relation to the company size (percentage), will receive a traveling trophy to be displayed in the company's main lobby.

For additional information, please call: 541-484-9883.
