Gordon Cully is known by his fellow hackers as Captain Cully or 'Cappy', a moniker given to him by his Hood to Coast teammates on Team Endorphiends. Cappy, who didn't start running until 1991 when in his late 20's, lives just up the road in Salem but grew up in Eugene and still calls Eugene home.

Cappy ran his first Hood to Coast relay in 1992 and is a veteran of 14 total through 2008. Cappy has orchestrated Team Endorphiends since their debut in 2002 when they were a sub-masters team. The team turned Masters in 2005 when they went on to win their first of two HTC Master's championships. The team won their second championship in 2008 in a team record time of 20:38:07 which also placed them 15th overall.

Cappy enjoys traveling with his fellow Hackers on road trips, especially when they involve running marathons. Cappy has completed 20 marathons with a PR of 2:44:25 at Portland in 1996. This includes 3 Boston finishes which Cappy last ran in 2000 with a time of 2:52:45.
